

MONICA PUTRI LESTARI PANJAITAN

Web Developer | UI/UX Designer | Software Quality Assurance

monikaapanjaitan07@gmail.com | +62 817-1737-7269 | Toba, Indonesia
Portfolio: lestari-two.vercel.app | GitHub: github.com/MonicaPanjaitan07

Diploma 3 Information Technology student at Del Institute of Technology with a strong interest in Web Development, UI/UX Designer, and Software Quality Assurance. With hands-on experience in team projects, training programs, and competitions, I combine design and technical skills to build digital solutions that are easy to use. Currently seeking an internship opportunity.

EDUCATION

Diploma 3 in Information Technology, Del Institute of Technology 09 / 2024 – 2027
Laguboti, Toba, Indonesia

SMA Negeri 1 Silaen, Science Program (IPA) 04 / 2021 – 2024
Silaen, Toba, Indonesia

PROJECT EXPERIENCE

Web Firman Taylor: Online Tailoring Order System Final Project, 2025
UI/UX Designer & Developer | Laravel, PHP, MySQL, Figma

- Designed the interface and prototype for a website that lets customers order tailoring online instead of queueing at the shop.
- Developed features for placing orders, tracking order status, and managing the order list from an admin panel.
- Source code: github.com/MonicaPanjaitan07/web-firman-taylor

Pardede Catering App: Ordering Application for Web & Mobile Final Project, 2026
UI/UX Designer & Developer | Laravel, MySQL, Figma

- Designed the UI/UX and interactive prototypes in Figma for a catering ordering platform available on web and mobile.
- Contributed to development with Laravel and MySQL, including an admin dashboard to track customer orders.
- Worked in a team on features such as meal ordering, payment, and real-time chat; presented the final product at a campus project exhibition.
- Source code: github.com/MonicaPanjaitan07/Pardede-Catering-App

ACHIEVEMENTS
